Dear Parent:

As a parent of a student at Blountstown Elementary School you have the right to know if your child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who does not meet the Federal requirements of "highly qualified." According to the No Child Left Behind Act of 2001 [P.L. 107-110, §9505(23)], a highly qualified teacher is one who:

- Has obtained a Bachelor's degree or higher;
- Has demonstrated competency in the subject area assigned to teach
- Has obtained full State certification.

As of the date of this letter, your child's teacher, Kaitlin Peacock has obtained a Bachelor's degree or higher, but is not certified in the area of Exceptional Student Education. Your child's teacher is currently working to meet the highly qualified requirements and I have full confidence in his/her ability to teach effectively in this assignment. If you have any questions regarding this notice, please contact me at 850-674-8169.

Sincerely,

Pam Bozeman
