Mission Statement

Date

Blountstown Elementary School believes in the potential of all children. We are dedicated to working collaboratively with teachers, students, parents, and community members to create a safe place where all children know they are cared for, develop respect for themselves and others, understand they are accountable for their own choices, gain a sense of responsibility for their environment, and accept the challenge to learn. This is our mission.

Involvement of Parents

How will the school involve the parents and families in an organized, ongoing, and timely manner, in the planning, review and improvement of Title I programs, including involvement in decision making of how funds for Title I will be used? [ESEA Section 1116].

Response: Parents are invited and encouraged to attend regular scheduled School Advisory Council (SAC) Meetings. SAC meetings are held at least four times during the year. District schools follow the requirements of Florida Statute 1001.452 in the selection of members to serve on the SAC. These meetings are used to involve parents and families in the development, review and evaluation of Title I plan, Title I Needs Assessment, Parent and Family Engagement Plan, School Compact and School Improvement Plan. The SAC also approves the budget for the spending of funds reserved for parent and family engagement activities.

The SAC Meeting minutes will reflect input from parents and school staff. The minutes from the prior meeting are approved at each meeting to ensure accuracy of meetings. Parent feedback is also solicited through an annual school climate survey and Title I Survey. Information from these surveys are used in the development of plans. The School Advisory Council meeting are the forum for continuous improvement of school operations, programs, events, and meetings.

School-Home Compact

Develop a school-home compact that outlines how parents, students, and school staff will share the responsibility for improving student achievement and describes how parents & teachers will communicate.

How were parents invited to develop or revise the compact?	Parents reviewed, discussed and submitted suggestions for revising the comprehensive needs assessment, Title I Parent & Family Engagement Plan and Title I Parent Compact for the 2021-2022 school year as part of a School Advisory Council (SAC) meeting on April 29, 2021. Invitations were issued through text message, email, School Messenger call-out, social media, and email.
Date of parent meeting to develop or revise the compact	April 29, 2021
What communication methods will be used between teachers & parents as well as school & parents?	Teachers will use phone calls, email, class newsletters, websites, Remind, social media, communication apps, and parent/teacher conferences to communicate with parents. The school will use mail, marquees/signage, phone calls, weekly automated-dialer calls, emails, SAC meetings, SMS, social media, Remind, websites, e-newsletters and streaming videos to communicate timely information so parents can best support and participate in their child's education.

Elementary schools are required to hold at least one face to face conference with parents. Explain your process?	All elementary teachers have individual parent conferences with parents during the 1 st semester to discuss their child's progress and ways parents can help their children academically at home.

Coordination and Integration

Describe how the school will coordinate and integrate parental involvement programs and activities that teach parents how to help their children at home. [Section 1116(e)(4)].

Program	Coordination
ESE	Parent Involvement activities are coordinated by including input from parents of ESE students and working together with the ESE Office to ensure their unique needs are met.
Title I, Part C	The district and school coordinate with Panhandle Area Educational Consortium to provide parental involvement activities and translation services to ensure their involvement in the school.
Title II	This program supports job-embedded professional development in the areas of reading, math, and science. Stipends for teachers to receive professional learning to support improved student achievement during the summer are provided. Support for Beginning Teachers and other professional learning resources to support teachers and school administrators are also provided.
Title IV, Part A	<p>The Student Support and Academic Enrichment grant is intended to improve student academic achievement by increasing the capacity of State educational agencies (SEAs), local educational agencies (LEAs), and local communities to:</p> <ul style="list-style-type: none"> • provide all students with access to a well-rounded education; • improve school conditions for student learning; and • improve the use of technology in order to improve the academic achievement and digital literacy of all students. <p>At Blountstown Elementary School, Title IV funds are used to provide STEM enrichment. Students participating in the STEM Enrichment are meeting 2 afternoons per week in problem solving activities.</p>
IDEA (Students with Disabilities)	<p>The Individuals with Disabilities Education Act (IDEA) ensures that all children with disabilities are entitled to a free appropriate public education to meet their unique needs and prepare them for further education, employment, and independent living.</p> <p>Title I endeavors to educate families on how to work with students falling under IDEA at home to be successful in the classroom and give families strategies for providing a safe environment.</p>
Title IX, Part A	The school and the homeless liaison communicate frequently to meet the needs of homeless children and their parents. School supplies are supplied for homeless students. Fees and dues are also paid for homeless students to help eliminate barriers that might prevent academic success.
VPK	The VPK program prepares Florida's young children for a successful Kindergarten. VPK prepares children to be ready for school. Children who participate in high-quality early childhood education programs develop better language skills, score higher in school-readiness tests and have better social skills and fewer behavioral problems once

	they enter school. They are also better prepared for Kindergarten, especially in the areas of pre-reading, pre-math and social skills.

Accessibility

Describe how the school will provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under Section 1111 in a format and, to the extent practicable, in a language such parents understand. [Sections 1116(e)(5) and 1116(f)].

Response: Every effort will be made to engage and provide resources for parents with disabilities or for parents who do not speak English. The LEA contracts with the Calhoun County Health Department to provide a Spanish interpreter when needed for parent meeting and engagement activities. Parent communication is translated upon request. The school will use various means of communication to provide opportunities for the informed participation of ALL parents and families members. School Messenger, the school call-out system, will be utilized to inform parents of upcoming events. The school website and school marquee will also be updated with current information and upcoming events. Classroom newsletters are sent home with elementary students telling parents of current events happening in the classrooms.
